Important Instructions for Proper Use: Read and follow the label instructions on all PediaCare® products • Keep all medicines out of the reach of children • Do NOT administer adult medicines to children • If you have any questions, call 1-888-474-3099 weekdays from 8:00 am - 8:00 pm (EST)
 Note: Use weight to dose when possible, otherwise use age. Ideally, the child should be weighed before giving PediaCare®. **Healthcare professionals should be consulted for dosing in children under the age of two and in children under the age of six for certain cough, cold and allergy medicines.**

*Professional Dosage Only

ALERT: The acetaminophen concentration has changed on the Infant Product from 80 mg/0.8mL to 160 mg/5 mL.

Revised Aug. 2011
